review for yourself the incredible evidence over 1 200 literature references that clearly reveals how vitamin c has been able to cure or contribute to the cure of many common infectious diseases including some deemed incurable such as hepatitis and polio because of these documented effects the use of properly dosed vitamin c within a comprehensive treatment protocol can also eliminate the need for many vaccinations and toxic prescription medicines that vitamin c is the treatment of choice for many potentially fatal toxins and other toxic medical conditions that poison the body for which no effective treatments presently exist this makes vitamin c the ideal treatment for many infectious diseases that also produce highly toxic poisons and the associated toxic by products of some microbial metabolism that vitamin c is remarkably free of any side effects vitamin c is unquestionably the most non toxic nutrient and supplement that is available today an enormous amount of scientific literature on vitamin c has been written over the last century a great deal of this literature much from our most esteemed research centers in the united states has been cited in this book don t just accept a casual unenlightened assessment of what vitamin c can and cannot do read the truth for yourself

this text will be an indispensable tool for people seeking therapeutic natural help for specific eye diseases as well as those wanting to maintain their healthy eyes later in life

this text introduces readers to the concept of orthomolecular medicine to take control of their family s health it covers the pros and cons of antibiotics and vaccinations and looks at natural ways to boost immune function it includes information on healthy eating and ways to protect children from a toxic environment

if the word cure intrigues you this book will also high doses of vitamins have been known to cure serious illnesses for

nearly 80 years claus jungeblut m d prevented and treated polio in the mid 1930s using a vitamin chest specialist frederick klenner m d was curing multiple sclerosis and polio back in the 1940s also using vitamins william kaufman m d cured arthritis also in the 1940s in the 1950s drs wilfrid and evan shute were curing various forms of cardiovascular disease with a vitamin at the same time psychiatrist abram hoffer was using niacin to cure schizophrenia psychosis and depression in the 1960s robert cathcart m d cured influenza pneumonia and hepatitis in the 1970s hugh d riordan m d was obtaining cures of cancer with intravenous vitamin c dr harold foster and colleagues arrested and reversed full blown aids with nutrient therapy and in just the last few years atsuo yanagasawa m d ph d has shown that vitamin therapy can prevent and reverse sickness caused by exposure to nuclear radiation since 1968 much of this research has been published in the journal of orthomolecular medicine this book brings forward important material selected from over forty five years of jom directly to the reader at some 800 pages the orthomolecular treatment of chronic disease is a very large book but it is also a very practical book if you want to know which illnesses best respond to nutrition therapy and how and why that therapy works this is the book for you part one presents the principles of orthomolecular medicine and the science behind them part two is devoted to orthomolecular pioneers presenting an introduction to maverick doctors and nutrition scientists in a reader friendly way that brings the subject to life part three brings together extraordinary clinical and experimental evidence from expert researchers and clinicians the orthomolecular treatment of chronic disease shows exactly how innovative physicians have gotten outstanding results with high dose nutrient therapy their work is here for you to see and decide for yourself the orthomolecular treatment of chronic disease subtitled 65 experts on therapeutic and preventive nutrition is a complete course in nutritional healing for less than thirty dollars

vitamins are absolutely essential for a healthy pregnancy before during and after expectant parents want healthy

babies and to more easily navigate pregnancy's many ups and downs problem is standard prenatal vitamins don't come close to meeting the needs of all women nutritional orthomolecular physicians have known this for decades many women would benefit from an abundance of nutrients during pregnancy and the advantages are clear healthy babies and happy moms helen saul case has lifelong experience with nutritional medicine having been born and raised with it her entire life still she found pregnancy challenging with new aches pains and amazing symptoms i couldn't have dreamed up if i tried it became all too clear that how to best use high doses of vitamins to safely and effectively address health issues was conspicuously absent from the scores of pregnancy health books out there it's time for a change vitamins pregnancy the real story is a comprehensive yet easily readable nutritional guide to optimal health for both you and your baby that tackles the topics other pregnancy books don't including the many ways nutrition helps to ensure your baby's best development in utero with lifelong benefits for mother and child how vitamin c helps prevent birth defects postpartum hemorrhages and even stretch marks vitamin e helps prevent miscarriage magnesium helps cramping legs and sore aching backs and extra vitamin b6 alleviates morning sickness without a prescription optimal vitamin and mineral intakes during pregnancy and breastfeeding what the research says about efficacy and safety nutrition based advice to help alleviate more than 35 pregnancy issues from acid reflux and yeast infections to postpartum challenges including depression and losing weight

learn the truth about the healthcare industry how little your genes influence your health the real impact of lifestyle and daily toxin exposure and how to shift the paradigm trust in the medical profession is at an all time low the healthcare industry is worth trillions of dollars and growing exponentially but people in general are getting sicker many of us are suffering from chronic illnesses unwanted weight gain cardiovascular complications and mental health problems so are our children we need to shift our thinking how to be a healthy human is for anyone who uses the healthcare system and

wonders if there is another way carefully referenced and helpfully illustrated the narrative is told from the rigorous but witty point of view of emma tekstra an actuary and thirty year consultant in the global health and corporate benefits space tekstra arms you with information about the amazing human body and the modern medical and pharmaceutical industries to empower you to take control of your own health and ultimately how to age well utilizing conventional medical care only where absolutely necessary you ll receive practical guidance and discover a simple approach to nutrition the symbiotic interaction of humans with nature and with microbes a new way of thinking about disease and diagnoses a fresh outlook on mental health and neurological conditions a recipe for healthy aging resources further reading food hacks and much more how to be a healthy human is full of practical advice anyone can use to obtain vibrant health and vitality

a lighthearted account by a texas grandmother reveals how colds and respiratory allergic reactions can be stopped in minutes not days no claim is made that the common cold can be cured but rather that no cure is needed the author says the misery we experience from colds is caused by the body s immune response to viral infections not by actual tissue destruction by viruses the resulting congestion provides a haven for the invaders and we spend too much time trying to nurse our symptoms please join me in teaching one person at a time how to make the symptoms go away practical advice is also given on how to block allergies headaches cold sores and more reports from professionals pioneering in nutritional medicine are appended with references for further information not only will how to stop colds allergies and more enable you to avoid many nuisance illnesses and conditions but it will introduce you to some of the exciting advances in nutritional medicine in the 21st century
